A high density moulded rubber crumb paver with excellent grip for horses even in wet and cold weather.
Ideal for Horsewalkers, Racecourses, Stable Yards, Walkways and all other areas of movement and activity.

For heavy traffic areas we recommend bonding the pavers with Quattro Matbond.

Can also be used for general areas of paving offering a warm, safe and comfortable surface.

Pavers can be supplied for self fitting.

Available in Black, Red or Green. Technical Data Sheet available upon request
