

Rubber comfort cow mats have a honeycomb underside which provides extra softness and comfort that in turn protects hocks when lying down and rising.

No more swollen hocks, joints and knees.

Rubber comfort cow mats have an easy to clean low profile that will keep cows cleaner and drier with a minimal amount of bedding. Comfort and insulation helps to promote blood flow to udder and teats.

Extra Comfort Mats available with raised feet on the underside to give even greater comfort.

Interlocking 28mm thick
1.85m x 1.14m (6' x 3.9')

Straight Edge 25mm thick
1.85m x 1.2m (6' x 4')
