

# QUATTRO®

FLEXSCREED®  
STONE BLEND

The Rubber & Resin Specialists

**Quattro's high tensile Flexscreed® Stone Blend system is designed as an open heavy duty rubber screed for Racecourses, Horse Walks, Yards, etc.**

**It provides a seamless cushioned protective anti slip surface for horses, riders and grooms.**

**Standard systems are black but colour can be introduced to provide a more aesthetic appearance.**

**The standard depth of Flexscreed® is 15mm-20mm but this can be varied to suit the environment required. It can provide a competitively priced option to the heavier pre manufactured rubber tiles.**

**Flexscreed® is ideal to apply to difficult shaped areas and will deal with poor and uneven substrates without the requirement of a great deal of Groundwork's.**

**Equestrian • Agricultural • Gym • Play**

Quattro Products Limited, Milestone House Ind Est, Penrith, Cumbria, CA11 9NQ
